2010-11 Premium Rate Setting

In preparation for our annual premium rate setting process, the Executive Committee is holding a half-day workshop on February 10 to discuss strategies for the FY10-11 medical rates. Our technical consultant, Tom Edwards will lead the discussion. In addition, staff will be making a recommendation concerning the Medicare Supplemental plan and the issues of cross-plan and retiree premium subsidization and premium tiering.

H1N1 Vaccinations

Due to continued challenges in obtaining the H1N1 vaccine it is increasingly unlikely that MCSIG will be able to offer H1N1 vaccine clinics. Instead, we are encouraging our members to attend the free clinics offered by the Monterey County Health Department open to anyone over the age of 2 at school sites as follows:
