

When You Need Surgery, You Need BridgeHealth.

Don't go through the surgery process alone. BridgeHealth is here to help. Our suite of tools, services, and dedicated Care Coordinators make a big difference in your experience.

WE'RE HERE TO HELP YOU GET BETTER.

We simplify the process for planned surgeries, making it easier and less costly for you – ensuring a helping hand and high-quality care.

Emergency, pediatric (under age 13), cancer, cosmetic, dental, diagnostic, vision, and transplant procedures are not available through BridgeHealth.

WE ARE YOUR EMPLOYER’S COMPREHENSIVE SURGERY PROGRAM.

At BridgeHealth, quality comes first. We track surgery outcomes so our patients only see top-rated providers, which means you have the best possible care. No one wants complications after surgery.

Cost can be one of the biggest concerns when planning for surgery. BridgeHealth has pre-negotiated agreements with care providers that lower surgery costs and eliminate surprise billing.

Non-HSA Plans

- You pay \$0 – no deductible, no coinsurance

HSA Plans

- You pay \$0 after you meet your deductible

Both Plans

- You receive a Shared Savings Rebate – amount determined by the overall plan savings and paid to you after surgery by MCSIG

We all know that navigating the healthcare system can be challenging. We assign each patient a personal Care Coordinator who walks you through every step of the process.

At BridgeHealth, we are dedicated to delivering the best outcomes and the best experience. If surgery is in your future, your first call is to BridgeHealth.
