CONSENT AGENDA:

Notice to the public: The consent agenda is a component of the meeting agenda that enables the Committee to dispatch routine, standard, non-controversial, self-explanatory, implementing (follow-up) items or items not requiring any discussion with one vote. Separate items on the consent agenda are not discussed before the vote and the entire consent agenda is voted on at once without any explanations or comments. If a board member or member of the public feels that an item on the consent agenda should be discussed, he/she may request the removal of that item from the consent agenda at the time the consent agenda is announced.
